Part of the Community, Growing Together

These aren't just your neighbors, they're family. With the opening of our new Chicago store, the Wal-Mart family welcomes more than 400 new members. They'll work to bring the area Every Day Low Prices on apparel, electronics, toys, and more. We're proud to call the Austin neighborhood home - and look forward to growing together as a community.

Our Austin store opens September 27.
